Chocolate

History and Geography

- Find out about the history of chocolate. Which civilisation does it come from? How did it come to be made in its current form? Who invented the Easter Egg? There are some good videos on YouTube about the origins of chocolate.
- Where does chocolate come from? Can you identify the countries on a map or even create your own map of cocoa-producing countries?
- Discover what weather and climate cocoa needs.

DT- Chocolate Design

- Interview your family about their favourite chocolate treats to get ideas for a new creation
- Design a new chocolate bar or Easter Egg and create a labelled design.
- Create a poster to advertise your product.
- Make the packaging out of paper/ cardboard/anything!
- Create a storyboard for an advert.

Writing

- Read Michael Rosen 'Chocolate Cake' poem.
- Create a vocabulary bank to describe your favourite treats
- Write a story poem (like Michael Rosen's!) where you eat the treat.

Cooking

- Create your own chocolatey treats by following a recipe, weighing ingredients where possible.
- Evaluate your end product. How could you make it even better next time?
- You could always make chocolate playdough if you don't enjoy eating chocolate.
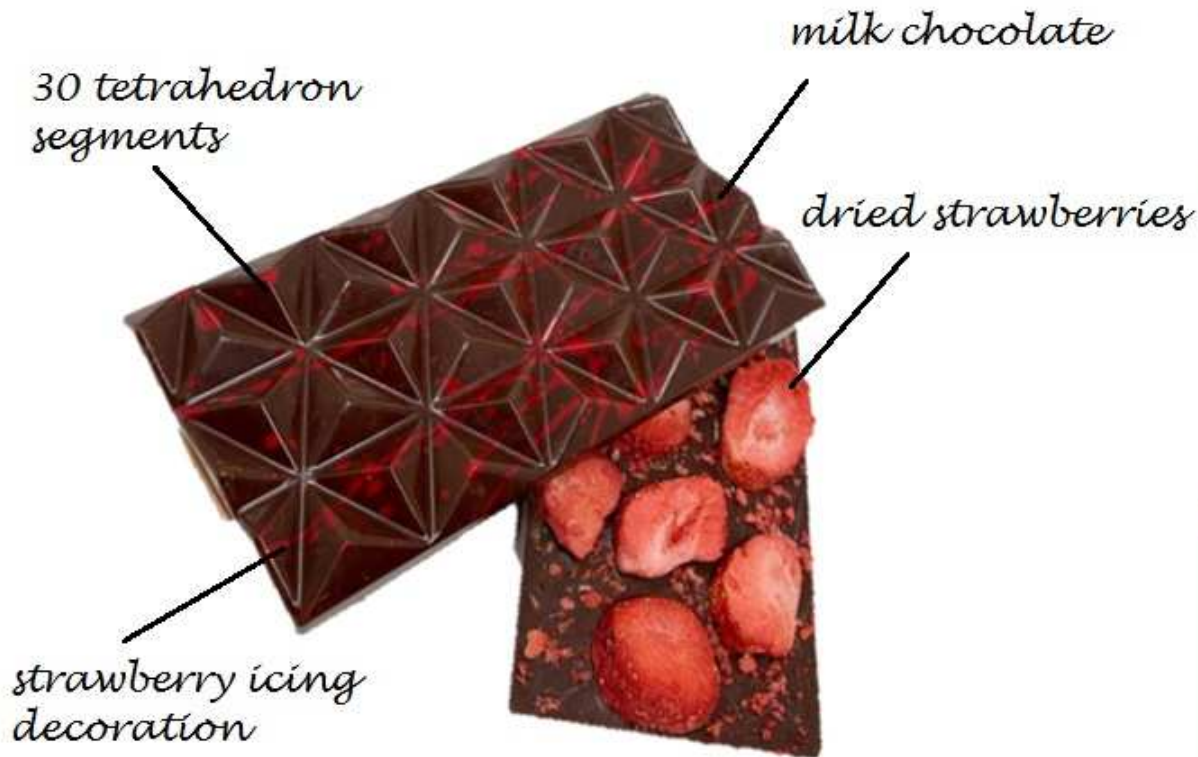

Reading

- Enjoy some chocolatey themed reads:

Other ideas:

- Tour a chocolate factory online.
- Watch a chocolatey film e.g. Charlie and the Chocolate Factory.
- Create a chocolate themed game on Scratch.
- MATHS: Explore Easter egg symmetry task on Purple Mash (2Do has been set for you to complete).

Chocolate Bar Design Example

Inside

30 tetrahedron segments

milk chocolate

dried strawberries

strawberry icing decoration

Outside

packaging design

product name

Chocberry

company logo
