Admission Arrangements for Community and Voluntary-Controlled Primary Schools 2027/2028

Children are admitted into Reception in the September following their fourth birthday. Parents can request that the date their child is admitted to the school is deferred until later in the school year or until the term in which the child reaches compulsory school age. Parents can request that their child takes up the place part-time until the child reaches compulsory school age. The admission criteria will apply to all children seeking a school place, whatever their term of entry. The place offered will be reserved on condition that it is taken up within the same school year.

Admissions of summer born children may be deferred to the following September but in those cases, children may be offered a place to enter Year 1 unless an application has been made and agreed by the LA or the admitting authority in advance. The Local Authority will consider any application for a deferred entry into Reception of summer born children for the September following their fifth birthday. Such requests will be considered in accordance with the Local Authority's 'Guidance on the admission of summer born children' and DfE Advice.

Children attending a school's nursery are not guaranteed a place in the reception class and a separate application must be made.

PUPILS WITH AN EDUCATION, HEALTH AND CARE PLAN

The admission of pupils with an Education, Health and Care Plan (EHCP) is dealt with by a separate procedure. Such children are dealt with through a separate legislative process and without reference to the oversubscription criteria below. Children who have an EHCP which names a specific school, will be admitted to that school.

TIE BREAK

When demand exceeds places in any of the following policies, the distance between the child's home and school, measured by a straight-line distance from the Ordnance Survey address point of the home to the main entrance to the school building, will be used to decide who is given a place; those living nearest being given the available places. Where the offer of places to applicants with equi-distant addresses would lead to oversubscription, the decision of who will be offered the place will be made by random selection.

MULTIPLE BIRTHS

Where a parents of multiple births (twins, triplets etc) request admission and only one of the siblings can be offered a place, the remaining siblings will also be offered places above the admission number.

Priority will be given on the basis of how frequent attendance at worship.

4. ‘Home address’ refers to the child’s permanent home at the date of admission. Where the child lives with split parents who have shared responsibility, it is for the parents to determine which address to use when applying for a primary school. 6. Proximity to school is used as a tie-breaker, those living closest being given priority.
