## **Thackley Primary School**

High standards in everything we do Skills for life Happy memories

## Mr Waddington and Mrs Lang Year 4 Memory Boards

For the final week of term we have created some memory boards of Year Four. Even though it was cut short, we still had a fantastic time and thought it would be nice for you to create a memory board of your own. You may not have photographs but you could draw pictures or make a model like Erin, Indy and Billie did. We can't wait to see your creations so please email them to US.
