Impact on Pupils' Participation and Attainment

- **Targeted Inclusion & Equal Access:** Targeted funding ensured improved access to high-quality PE and physical activity for pupils with SEND, disadvantaged pupils and girls across all year groups.
- **Enhanced Teacher Competence:** Extensive investment in CPD significantly improved staff delivery and confidence in physical education.
- **Expanded Competition & Network Engagement:** Participation in SGO network activities and external competitions broadened exposure to competitive sports and team events.
- **Swimming Progress:** Continued investment in top-up swimming lessons ensured high levels of competency and safety attainment for Year 6 pupils.

Sustainability of Improvements

- **Staff Upskilling:** CPD investments ensure long-term pedagogical growth and sustainability in physical education delivery across the school.
- **Network Partnerships:** Ongoing collaboration with the PE and School Sport Partnerships Network will continue to support CPD, coaching, and competition access into 2026–2027.
- **Embedded Culture of Sport:** Integrating targeted extra-curricular opportunities and competitive sports into regular provision maintains long-term pupil engagement.

Swimming Competency – Year 6 Cohort

As of July 2026, the percentage of Year 6 pupils who can:

- **Swim competently, confidently, and proficiently over a distance of at least 25 metres:** 82%
- **Use a range of strokes effectively (e.g., front crawl, backstroke, breaststroke):** 67%
- **Perform safe self-rescue in different water-based situations:** 75%

These outcomes were positively impacted by our dedicated investment in extended swimming provision and aquatic opportunities beyond standard curriculum delivery.
